

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2013

| INFORMATION   |                            | Value       | Unit            |
|---|----------------------------|-------------|-----------------|
| 1. Supplier name or trademark   |                            | ASUS        |                 |
| 2. Model identifier   |                            | VG259QR     |                 |
| 3. Energy Efficiency Class for standard Dynamic Range (SDR)                         |                            | F           |                 |
| 4. On mode power demand for Standard Dynamic Range (SDR)                            |                            | 22,60       | W               |
| 5. Energy Efficiency Class for standard Dynamic Range (HDR)                         |                            |             |                 |
| 6. On mode power demand in High Dynamic Range (HDR) mode                            |                            |             | W               |
| 7. Off mode, power demand   |                            | 0,30        | W               |
| 8. Standby mode power demand  |                            | 0,50        | W               |
| 9. Networked standby mode power demand  |                            |             | W               |
| 10. Electronic display category   |                            | Monitor     |                 |
| 11. Size ratio  |                            | 16 : 9      |                 |
| 12. Screen resolution (pixels)  |                            | 1920 x 1080 | pixels          |
| 13. Screen diagonal   |                            | 62,20       | cm              |
| 14. Screen diagonal   |                            | 25          | inches          |
| 15. Visible screen area   |                            | 16,46       | dm <sup>2</sup> |
| 16. Panel technology used   |                            | LED LCD     |                 |
| 17. Automatic Brightness Control (ABC) available                                    |                            | No          |                 |
| 18. Voice recognition sensor available  |                            | No          |                 |
| 19. Room presence sensor available  |                            | No          |                 |
| 20. Image refresh frequency rate  |                            | 60          | Hz              |
| 21. Minimum guaranteed availability of software and firmware updates (until):       |                            | 8           | Years           |
| 22. Minimum guaranteed availability of spare parts (until)                          |                            | 7           | Years           |
| 23. Minimum guaranteed product support (until)                                      |                            | 7           | Years           |
| i Minimum duration of the general warranty offered by the supplier                  |                            | 3           | Years           |
| 24. Power supply type:  |                            | Internal    |                 |
| i External standardised power supply (included in the product box)                  | Standard name              |             |                 |
|   | Input voltage              |             | V               |
|   | Output voltage             |             | V               |
| ii External standardised suitable power supply (if not included in the product box) | Standard name              |             |                 |
|   | Required output voltage    |             | V               |
|   | Required delivered current |             | A               |

|  |                               |  |    |
